BILLING

Architect Theatre presents

HIGHWAY 63: THE FORT MAC SHOW

Created by the Company with Layne Coleman

Directed by Charlotte Corbeil Coleman

Performed by Georgina Beaty, Greg Gale, and Jonathan Seinen

LOAD IN

Minimum 6 hrs prior to curtain. Company requires 3- 4 hours for lighting and rehearsal.

MINIMUM STAGE DIMENSIONS

I would estimate 16' wide X 10' deep.

(An upstage cross-over is preferred.)

This show has played in a wide variety of spaces, from 300 seat performing arts centre to hotel conference rooms, and can adjust to almost any stage variation.

LIGHTING REQUIREMENTS

Standard lighting plot with 4 to 6 specials.

SOUND REQUIREMENTS

None

SET PIECES

Venue to provide 3 chairs and a table that can support a chair.

HOTEL

If the venue is located more than 100km from the GTA, 3 hotel rooms will be required.

HOSPITALITY

Venue to provide 2 clean, comfortable dressing rooms with access to private washrooms.

Venue to provide water, juice and assorted fruit, cheese and cracker tray upon arrival. An assortment of rice and/or wheat free crackers would be appreciated.

Venue to provide 4 hot catered meals 2 hrs prior to curtain OR a \$25 meal buy-out per person is an acceptable alternative, provided there are decent restaurant options within walking distance to the venue.

Dietary Restrictions

Charlotte – Vegetarian. No wheat.

Georgina – Vegetarian, but will eat seafood.

Jonathan - No wheat, soy, red meat (beef, pork, etc), oats, barley, rye, kidney beans, bell peppers or spicy foods, no nuts (except peanuts, cashews, pine nuts and pecans), no chocolate, no caffeine.

Greg – No restrictions

COMPLIMENTARY TICKETS

The Venue will hold 8 complimentary tickets for the company, until assigned or released by the company.

No changes may be made to this Rider without prior discussion with Company's touring agent, Tammy Fox – tammyfox@thecollectionagency.ca / (905) 372-6161
